PART - A

On 8th & 9th October, 2009 the Peer Team of NAAC visited the college and awarded 'C' Grade (CGPA - 1.99). After visiting, it ordered to install "Quality Assurance Cell" to enhance the standards of the college and demanded submission of yearly reports. As per order of NAAC the college is sending Quality Assurance Report and is also trying its level best to improve educational, academic, social and cultural standards of the students by conducting different activities in the college.

Methodology adopted by the IQAC was divided in to three parts

1. System Study of College.
2. Finding the new ideas in teaching and learning.
3. Suggestive corrective actions.

NAAC Peer Team visited our college on 8th & 9th October, 2009 and awarded 'C' grade (CGPA – 1.99). We got certificate in February 2010. As per order, we constituted IQAC committee to give specific direction to various activities in the college.

The college tried to conduct various programmes. The plan of action chalked out by the IQAC was followed in beginning of the session 2009-10 towards quality enhancement and the outcome achieved at the end of the year is given below.

Being flood affected Mowad is in a financial crisis and this area is backward. In such condition the college is entering in its 13 yrs and rendering valuable service in the field of Higher Education to the residents of Mowad and neighbouring villages. Nagar Parishad Shivaji Mahavidyalaya is situated in rural and socially backward area. We are imparting the education to the children of mostly illiterate parents, who are either farmers or labours. As compare to the boys' students, a number of girl students is more. Parents are indifferent about the education of their wards. Hence it is challenging task for the college administration to uplift and upgrade overall progress of these students. Keeping in view, the following programmes are arranged.

Adoption of a rural slum in addition to a village adopted by NSS and providing health education , sports and other services so as to create awareness amongst slum dwellers, specially children as a part of community service extension by the college.

- To motivate teachers for Ph.D. and NET/SET.
- For optimum utilization of physical and human resources in the department of sports and physical education, college has planned to organized camps for selected games and YOGA. College is going to submit a proposal for University level games such as Weightlifting, Power lifting, Best Physique and Volleyball.
- To organize seminars and workshop for faculty development by the department of English, Marathi, Economics, History, Sociology, Political Science, Library and Physical Education.
- Strengthening the student-parent-teacher interaction network.

DEPARTMNET OF MARATHI:

- To conduct lectures of a resource person.

- To conduct a programme on employment and self employment.

The outcome achieved by the college:

IQAC committee is regretted to inform you that the planning design for the year 2009-10 could not be fully achieved due to financial problem. We do not get any grant from government except salary grant. In spite of that the college has tried to fulfill the basic needs of the college. The College has purchased necessary equipment and other infrastructure facilities. The books, journals and CD's are made available to the students. Near about 106830/- rupees are spent on equipments and infrastructural facilities like scanner, garden

maintenance, computer repairing, building maintenance, electricity, painting & furniture etc. Near about 26659/- rupees are spent on Library books, journals and CD's from student's tuition fees.

For the all round development of the students, the college has formed a new Local Managing Committee.

PART - B

1. Activities reflecting the goals and objectives of the institution:

Taking co-operation from the teachers and educators to uplift and develop the students residing in the rural area. Nagar Parishad Mowad started Nagar Parishad Shivaji Mahavidyalaya in 1996 and started its working in Nagar Parishad High school premises in 1997. Hon'ble former Minister Shri Subhodhji Mohite donated money from Khasdar fund for the construction of the college building.

All the schools and colleges established by the Nagar Parishad Mowad are being run in Nagar Parishad's own building. The Teaching and Non Teaching Staff working in the college are striving hard to develop the backward students in the rural area. There fore the college has set its goal's as follows.

- To impart qualitative and valuable service in the field of education to the residents of Mowad and near by areas.
- To attempt community and social development through infrastructural facilities of the institution.
- To ensure and inculcate perfect discipline in terms of regularity, sincerity and punctuality, self confidence amongst the students so that they contribute to the society and nations as most responsible citizen.
- To aim at overall personality development of the students fraternity through extra curricular activities.
- To provide platform to the students by giving them an opportunity to face all the challenges of the competitive world with almost utilization of their potential in sports and other events.

Goals and objective of the institution are reflected through various activities carried out by various departments like NSS, ACE, Sports and Cultural.

- To provide educational opportunities to the haves and have not with special emphasis on women's education.
- To strive for total development of the personality and character.

- To inculcate among the students sense of self discipline, moral and social responsibility and national integrity.
- To provide healthy environment for making students useful to the society and develop their self confidence so as to meet all challenges in life.

To achieve academic excellence, the college with its devoted and qualified staff with social perspective arrange for extra classes and guest lectures. Through out the year for the benefit of the students, class overall test are given to improve the overall performance of the students. The students are given guidance and counseling for preparing their examination.

Opportunities are provided to the students to given expressions to their thoughts and skills through various events like elocutions, essay writing and delivering speech. Various activities are also organized through national service scheme, birth and death anniversaries of eminent personalities are observed and life sketches of them are displayed by cultural department. Cultural departments also organized “Yuva Mahotsava”. This helped us to find out their hidden talent by these efforts, we expect the student’s developments. We are proud to say that most of their showed their attitude in regard.

2. New academic programmes initiated UG and PG:

No .

3. Innovations in curricular design and transaction:

The college conducted B.A. degree level programe. The University syllabus is mandatory. Curriculum is updated as per modern trend in a various subjects.

It is mandatory to add here to university syllabus and examination patterns. The syllabus is unities and department heads monitor the completion of syllabus form time to time. In addition, principal also interact regularly with faculty members for effective planning and implementation of curricula. The department on their own constituted “Study Circle” comprising of a students representatives. This has provided the students a platform to express their thoughts and perception and understanding of subject. Our college follows a systematic teaching methodology. The college prepares academic calendar before the session ends. Every teacher prepares their own teaching plan and unities it according to syllabus and time table.

Our teacher attended refresher courses, orientation courses, workshop, seminar, conferences etc. to update their knowledge and to get acquainted with modern trends in their respective fields. They use these new acquired skills and information in class room teaching and this way they try to strengthen the teaching – learning process to the core. They mainly use the lecture method. To make the teaching more meaning full, diagrams, maps and modern teaching equipments like DVD, LCD Projector etc. are used as per their needs. These teaching aids created interactive atmosphere in the class and facilitated understanding of subjects. Though there is noscope to modify the curriculum at college level, we implement it with special touch of innovative teaching methods like classroom seminar and discussion is also used. This always helps increasing the understanding of subjects. Activities like guest lecture, essay writing, elocution competition are organized. These activities proved very useful for the out look of better understanding for social as well as educational atmosphere. Elocution competitions are held on the current as well as curriculum base topics. This help to raise the level of understanding of the students. Thus, the students got opportunity to express their views on specific topics. The teachers followed continuous evaluation methods by conducting surprise tests, oral test, written test etc. the performance of each teachers is monitored by Hon'ble principal.

41. Any other relevant information the institution wishes to add:

On 8th & 9th October NAAC Peer Team visited our college and suggested to start job oriented, ad-on courses and PG programmes in the emerging areas as well as to seek UGC recognition under 2f and 12b. As per the recommendation of NAAC Peer team we have submitted a proposal for 2f and 12b but we fill regret to mention that we are unable to start job oriented, ad-on courses and PG programmes since we do not get any financial aid from government expect salary grant.

If we get 2f and 12b recognition from UGC in future we are eager to start the above mention programme.

NAAC peer Team also suggested orally to start earning sources programme for girls. We are happy to say that we have started Handicraft classes such as woolen work, Mehandi & Rangoli classes for girls. Students response was praiseworthy.

PART - C

Nagar Parishad Shivaji Mahavidyalaya is situated in rural remote and socially backward area. Most of the parents are either farmers or farm workers who are indifferent towards the education of their wards. We have been imparting education to the children of these mostly illiterate and socially backward parents. Number of girls students is higher as compare to boys students but parents response is always is very poor and dull. Hence it is challenging task for the college administration to uplift and upgrade overall progress of these students. Keeping in view, the following programmes are arranged.

Adoption of a rural slum in addition to a village adopted by NSS and providing health education , sports and other services so as to create awareness amongst slum dwellers, specially children as a part of community service extension by the college.

- To motivate teachers for Ph.D. and NET/SET.
- For optimum utilization of physical and human resources in the department of sports and physical education, college has planned to organized camps for selected games and YOGA.
