PERSPECTIVE PLAN
2020-21 TO 2030-31

NAGAR PARISHAD SHIVAJI MAHAVIDYALAYA, MOWAD

Perspective plan for the year 2020-21 to 2030-31

Nagar Parishad Shivaji Mahavidyalaya, Mowad has prepared a perspective plan for the period 2020-2030. The NAAC criteria served as a guide to prepare this draft of perspective plan. The IQAC, as a part of its internal quality assurance took up this initiative.

INTRODUCTION

The College has prepared a Perspective Plan for the period of five years commencing from academic year 2020-21 to academic year 2030-31 by taking into consideration the quality indicators of seven criterions determined by NAAC.

In the preparation of Perspective Plan, the internal quality Assurance Cell (IQAC) of the college has taken initiatives. Inputs from all stakeholders, their expectation, management policies, our financial condition and goals and objectives of the college are considered as a base for formulation of the perspective plan.

The IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggest quality measures. Feedback from all the stakeholders and the recommendations of the IQAC are taken into consideration and innovation are incorporated in perspective plan. Student's feedback mechanism, self-appraisal by teachers, introduction of teachers, introduction of teachers training programme, faculty improvement programmes encouragement of teachers for research are some of the measures taken for at priority quality sustenance and enhancement as a strategy.

The draft of Perspective Plan has discussed, reviewed and approved in the local managing committee of the college and standing committee of Municipal council Mowad. It is our sincere efforts to prepare the framework for our collective efforts directed towards the attainment of our goals and objectives and keep our self ahead the contemporaries.

HISTORY OF THE COLLEGE

Mowad is situated on the bank of the river 'River Wardha' in Nagpur District. In the year 1991 river Wardha which was life giver of Mowad became life taker. She took a horrible form on 30th July in 1991. There was huge deluge in Wardha and it carried away the whole village. It was a Black Day in the history of Mowad. Near about 207 people lost their lives. There were no bounds to the sufferings of people. It was rehabilitated in the year 1993. Even today they have not come out of that shock. In such adverse condition, with great effort of former Minister 'ShriNitinjiGadkari' our management Nagar Parishad started the Nagar ParishadMahavidyalaya.

Our College is run by Nagar ParishadMowad (Municipal Council Mowad) which also runs convent, Primary School, Middle School, High school, Junior & Senior College. The college was established in 1996 and started its working in Nagar Parishad High school Premises in 1997. After that Hon'ble former Minister 'Shri Subhodji Mohite' donated money from Khasdar Fund for the construction of college building. Many eminent personalities visited the college such as Collector, Nagpur District and Ministers of Maharashtra State and Centre Government.

Nagar Parishad Mahavidyalaya of Arts is affiliated to R.T.M. Nagpur University, Nagpur. It provides education to the students for three year B.A. Degree Course which has Six Semester and five papers in each year a) two compulsory Languages: English and Marathi. b) Three optional subjects the students have to choose from Sociology, History, Political Science, Economics, Marathi Literature and English literature. There is a subject "Environment Science" only for second year student.

Being flood affected Mowad is in a financial crisis and this area is backward. In such condition this college is rendering valuable service in the field of higher education to the resident of Mowad, and Neighboring Villages such as Belona, Khairgaon, Pusla, Ganeshpur, Linga, Umari.

The college started initially with the Arts stream by enrolling 90 students in 1997. At present the strength of the college has increased. In order to help the deserving and economically backward students, the college

provides installments facility in paying admission fee. The college admits the students from backward class on nominal admission fees and the scholarship they get at the end of the year.

In the recent years the overall passing percentage of the students from our college has been quite satisfactory. We are aware of the fact that it is not sufficient to feel proud. We are working hard to increase the performance of the students in the totally hostile conditions. We admit every student who is living life in poor condition against all oddities. We admit every student on first come first serve basis without caring the percentage and no. of attempts in the qualifying examination. The students of this area do not have the healthy educational background. We even persuade the students to avail the facility of Higher Education by paying actual visit to their villages. We have accepted the task of graduating the wards of peasant, farmers, backwards and poor.

Vision

Selfless and substantial contribution to the society and nation building at large by making them potent to accept global challenges.

Mission

To empower the youth of rural and semi-urban area with the best of traditional education and the all-important professional and career-oriented skills which are vital in the contemporary global scenario.

Objectives:

- To enhance the quality of higher education.
- Equal opportunity to get higher education for all.

- Imparting quality education to the aspiring girls' students and students of remote, rural and semi urban area at affordable cost.
